RE: Perkins Mountain Utility Company - Docket No. SW-20379A-05-0489  
Perkins Mountain Water Company - Docket No. W-20380A-05-0490

Dear Colleagues and Parties to the Docket:

I recognize the Commission is in the midst of several critical cases and a heavy work load. However, I believe the two above-captioned applications are among the most important matters currently before the Commission.

I am appreciative of Administrative Law Judge Bjelland's March 13, 2006 Procedural Order. I agree.

I believe Public Comment sessions should be scheduled for this case prior to Hearing for the citizens of Mohave County to provide the Commission with valuable public input. I suggest Public Comment Meetings should be held in Kingman, Lake Havasu City and Golden Valley or other appropriate locations.

Very truly yours,
